*TAG Artists*

**November 3 — 28**

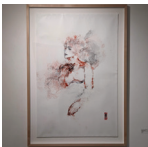

TAG Artists embrace holiday fever with a group show dedicated to all things "Sumptuous." The exhibition is a reflection on the extravagant with fine art in fabrics, paint, collage, sculpture and more. TAG Gallery is a not-for-profit organization that has represented LA-based artists since 1993. Our contemporary art displays reflect our city, bringing together artists with diverse views and skills in fine art.
